

YOUR SIMPLE COMMITMENT TO FOSTER CHANGE THAT MATTERS MOST

1. You've heard the successes and challenges of your fellow Jewish Educational Innovators. How have their stories inspired you to thought and action?

2. What is an actionable step(s) that you/your team might take in the next 30-60 days to advance innovation that produces meaningful Jewish education that makes a positive difference in the lives of learners?

Make a simple commitment to advance innovation. Document it below. Share it with your team. Make the Change That Matters Most.
